

Technical drawing of the 1000 Series Locking Bolt. The drawing includes a perspective view of the bolt and two cross-sectional views showing the internal components and dimensions. Key dimensions include:

- Overall length: 174.8
- Head diameter: $\varnothing 22.0$
- Head height: 15.5
- Head width: 66.0
- Head thickness: 10.5
- Head hole diameter: $\varnothing 8.0$
- Head hole offset: 19.0
- Head hole diameter: 12.8
- Head hole offset: 14.0
- Head hole diameter: 26.5
- Head hole offset: 24.0
- Head hole diameter: 14.0
- Head hole offset: 16.2
- Head hole diameter: 174.8
- Head hole offset: 24.0
- Head hole diameter: 3.9
- Head hole offset: 22.0
- Head hole diameter: 3.8
- Head hole offset: 19.0
- Head hole diameter: 102.0
- Head hole offset: 19.0
